RE: Tolan, Anthony Scott
DOCKET NO.: 2:12CR00025-WFN-1
REQUEST RELEASE FROM
RESIDENTIAL REENTRY CENTER
(RRC) PLACEMENT

Dear Judge Nielsen:

Anthony Tolan began his placement at the residential reentry center (RRC) on July 2, 2014, under the jurisdiction of the Bureau of Prisons. He then began his 36-month term of supervised release on September 29, 2014. He has remained at the RRC as a condition of his supervised release.

Mr. Tolan has been working with the Spokane Neighborhood Assistance Program (SNAP) during his time at the RRC to locate an appropriate release address. Mr. Tolan secured an apartment and signed a lease on September 29, 2014. The undersigned officer was able to conduct an initial home inspection on that same date, and it does appear that this apartment will be appropriate for Mr. Tolan's release.

Mr. Tolan has consistently followed all of the rules and requirements of the RRC facility. He is attending moral reconnection therapy as a requirement for the SNAP housing. Mr. Tolan has shown the undersigned officer a confirmation letter from the Department of Social and Health Services stating that his social security disability income will resume once he is released from the RRC. This will enable Mr. Tolan to pay his rent for his new apartment once the SNAP assistance ends in 9 months.

Based on the above factors, it appears Mr. Tolan is taking the necessary steps to ensure his reentry back into the community is successful. Therefore, the undersigned officer respectfully recommends that Mr. Tolan be released from the RRC program with all of the other conditions of supervised release to remain in effect.

Should Your Honor require a different course of action, or require a court appearance by Mr. Tolan, please advise the undersigned officer.

Respectfully submitted,

Scott M. Morse, Sr.
